

February 25, 2009

Dear Healthcare Professional,

APP's raw material supplier for Kanamycin for Injection, USP, is relocating its manufacturing facility and is unable to supply raw material for Kanamycin. Due to this development, APP expects a 12 – 18 month interruption of our Kanamycin for Injection, USP supply.

APP will be placing the remaining Kanamycin inventory on allocation for direct and drop ship orders.

The product affected is as follows:

Product	NDC	Product Number
Kanamycin 1g/3mL	63323-359-03	305903

You have our commitment that APP will continue to persist with efforts to secure an alternate raw material supply and work diligently to bring back this important anti-infective.

APP Customer Service can be reached at 1-888-386-1300, Monday – Friday, between the hours of 7:00 a.m. and 6:00 p.m. , CST. Please feel free to contact us at anytime with any questions that you may have.

Sincerely,

J. Frank Harmon
Executive Vice President and Chief Operating Officer
